The Monitor cost \$275,000, and her first labor has been equivalent to saving many bundred times that sum. The original cost of such vessels is bardly one half that of common ness between here and Nashville, Clarksville and Gall tin, Tenn.

The Secretary of War has informed a friend of General Fremont's that no Court of Inquiry would be ordered in his case, as there was nothing on which to base it.

The Desmoines (Iowa) Register says "Skeies as soon as they can be constructed Many exaggerated statements having been

made as to the mortality in the army, it is

ascertained from official sources that the number of deaths among the regulars stationed at Louis has finished its sittings, and Mr. Holt Washington, for the quarter ending with Mar. has arrived in Washington. The aggregate 1861, was 28; for the quarter ending with June, 33 regulars and 46 volunteers; for the quarter ending with Sept., 48 regulars, 79 volunteers, and for the quarter endin . with Dec. fleet, was at Key West, detained from making 108 regulars, 2970 volunteers. Total deaths-3,990, of which 100 were from wounds. The above deaths were in 257 regiments, including those of the army of the Potomac. A bomb shell (not exploded) which fell in the camp of the 6th New Jersey Regiment, from the rebel batteries at Cockpit Point, was

sent as a "trophy" to Camden, New Jersey, and while two young men were handling it in the bar-room of the Weccacoe House, last Satturday night, it exploded, killing both instantly, and shattering the entire building .-One of the young men was a son of Ex-Mayor Hammell, and the other was Remmington Ackley, agent of the Northwest Copper Company, Lake Superi r, then on a visit home. The sharpshooters performed important

service at Fort Donelson. It is said that Floyd swore if he captured one of them he would shoot him off hand. One of the boys of the 11th Illinois stood behind a tree and cago is, according to all accounts, a most fired forty rounds, each time taking a bite of frightful compound of decaying animal matter, and the papers are making a decided One man in the Second Iowa had two bullets through one leg, splintering the bone in By a recent, and it may appear singular each place, yet begged of a comrade to place order of Gov. Morgan, all the principal forts him against a tree, saying he was good for in the barbor of New York were garrisoned forty rounds more, and did sit and fire his last night. Even troops that were ea route whole ammunition at the rebels. It was imfor Washington were detained for that purpose. possible for the rebels to bring their artillery to hear up n our men, for the sharpshooters would pick o'l every man that attempted to load a gun.

A Richmond correspondent of the Charles ton Courier, throws considerable light upon the whiskey question in Virginia. He says that "within six months two hundred additional distilleries have been established in Virginis, and that they are buying up all the corn, their profits being so enorm us that they can afford to pay the highest prices for it."-At Fort Eric, C. W., last Saturday, several He next describes the peculiar virtues of this eight cars of the Enflate and Lake Heron corn whickey: "It carbonates (or burns into railroad, while being run upon the ferry boat a crust) the mucous membrane of the windpipe, sats the brain on fire, and sends a cold
clear over into the lake. The loss in cars cattle and freight, amounts to several thousand half a degen nips is drunk for a week, and a second or third repetition of this experiment All the newspaper correspondents at Fort drives the breath out of his body.
